Governing Body

I recently wrote to everyone about a vacancy we have on the Governing Body for a Parent Governor. Unfortunately, I have not received any nominations and would like to urge parents to consider whether they are able to support the school by taking on this important role

If you would like further information please make contact as I would be happy to talk about what the role involves.

Year 4 music lessons

Last year we made a bid to the Local Authority to be part of a project for whole class instrumental teaching. We were successful in our bid and all our Year 4 pupils are learning to play a musical instrument. Class 4N are learning to play a range of brass instruments and 4E are getting to grips with the cello. I look forward to later in the year when we will be able to hear them play.

Our individual music lessons continue for pupils in all year groups from Year 2 to Year 6 and payment for this term's tuition is now due.

Thank you

School dinners

Fancy a change from sandwiches ?

Did you know that you are able to purchase school meals for the whole week or any of our "special" days.

More information is available from the school office

Free school meals

Please let us know if your child is eligible for a free school meal. The number of free school meals a school provides is used as a measure for Pupil Premium funding which is worth £900 per child per year.

The more children we have registered the more money the school receives, and so the more we are able to provide for all of our pupils.

Once a week, take a peek

Could I ask all parents to support our "Once a week, take a peek" initiative by checking their child's head each week.

Thank you
