School closures due to snow

Whilst we are not anticipating having to close the school at any point in the near future I thought it might be useful to remind parents of our procedures.

Should a decision be made to close school we will inform parents via our **website** or with announcements on either **WM radio**, **Free radio** or **Heart FM**.

Deep Sea Spellers

Congratulations to these children who have completed their Deep Sea Spelling club and move onto the next club, in no particular order:

Chloe Hawkes, Iyioluwa Umah, Tyler Resuggan, Molly Graham, Keira Byrne, Charlotte Osborne

Yesterday Year 6 were privileged to meet Richard Jones and Laurie Edwards who are part of the Warwickshire Cricket Team.

KS2 hall doors

Please note that we do not use the doors in KS2 hall as an entrance in the morning. Children should meet their teacher in the playground and walk into school with them.

If the class have already left the playground when you arrive then please proceed to the school office entrance.

Thank you.

School trips and visits

As a school we welcome staged payment for trips and visits.

When calculating the cost per pupil we make the assumption that all pupils will contribute to the event and divide the cost equally between the number of pupils in the year group.

If insufficient funds are received we may have no alternative but to cancel the event since there are no funds within the School budget to make up the difference. Equally, we feel it is unfair to expect those parents who always pay to contribute to the costs of others.

We understand that family budgets may be stretched and would encourage parents to come and talk to us if there are difficulties.

No dogs are allowed on site at any time.

At the start and end of the day our entrance gates are very crowded. Please ensure that if you have a dog with you that you wait well away from this congestion as even the most even tempered dogs can become snappy when stressed.
