11th April 014

On Monday 28th April 2014 we will have a visit from members of the Dog's Trust who are based at Kenilworth. This charity look after unwanted dogs and re-home those they can.

They are going to come and talk to us about their work and about caring for dogs in our assembly on Monday morning.

After the assembly there will be a silver collection and we would ask that each child brings a silver coin as a donation.

Please do not use the top path under the trees.

The path is uneven due to the tree roots. To repair the path will need extensive specialist work as the roots will need to be dug out. This work would have to be paid from our school budget and is very expensive. At this time the school cannot afford to undertake the work, so in everyone's best interest the path has been closed.

Deep Sea Spellers

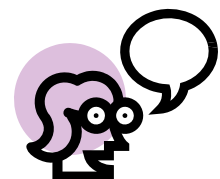

Congratulations to these children who have completed their Deep Sea Spelling club and move onto the next club, in no particular order: Kyle Chambers, Aimee Godden

Parent View

Parent View gives you the chance to tell Ofsted what you think about our school. Parent View asks for your opinion on 12 aspects of school life. The information provided is used when the school is inspected. Parent View replaces the paper questionnaires that were previously distributed when an inspection was due.

As part of any future inspection our school will be judged on the amount of parental involvement we have and to do this the Ofsted team will look at how many people have completed the survey on Parent View.
