Parent View

Parent View gives you the chance to tell Ofsted what you think about our school. Parent View asks for your opinion on 12 aspects of school life. The information provided is used when the school is inspected. Parent View replaces the paper questionnaires that were previously distributed when an inspection was due.

As part of any future inspection our school will be judged on the amount of parental involvement we have and to do this the Ofsted team will look at how many people have completed the survey on Parent View.

To access Parent View please go to
