## Safe in the sun

With the weather warming up I would like to ask parents to ensure their child is prepared. Children need their water bottles in school, hats may be worn outdoors to protect from the sun and children with sensitive skin should have sun cream applied before coming to school. If your child is particularly susceptible then they may bring their sun cream into school and apply it before going out to play.

We also have a growing amount of lost property, mainly jumpers, in our lost property area. Many of these items are unnamed and so we cannot return them to their rightful owners. Please ensure that your child's jumpers are named.

### Healthy lunch boxes and tuck

**As a Healthy School we ask that children have a well balanced lunch box with plenty of fresh fruit, salad and sandwiches. Sweets and chocolate can be enjoyed out of school hours and we ask that children are not given these for lunch or tuck.**

**In KS2 tuck can be bought at playtime and includes toast, fruit and juice. If children bring their own snack these should be in line with our healthy schools policy.**

### **Summer Fair**

**We are now beginning to plan our Summer Fair which will be held on Friday 11th July starting at 3.30pm**

**If you would like to book a stall at the fair the cost will be £5.00.**

**Please make your booking and payment at the school office as soon as possible as places are limited.**
