26th March 2015

## Staff changes for Summer Term.

Mrs Pinnegar will be starting her maternity leave this week and her role as Senco will be covered by Ms Frost until her return at some point during the next school year.

## Science week

This week has been a very exciting one as we have celebrated Science week. Our theme this year has been movement. Children have been able to take part in a range of practical activities including making paper aeroplanes, helicopters and hovercraft.

A special highlight has been “Dan’s Cannons”. Children have been able to fire the pneumatic cannons and understand the link between air resistance and force.

My thanks to all the pupils and staff for their enthusiasm this week. There has been some super work produced which we will displaying in school.

**School breaks up today.  
Have a restful break and we’ll see you on  
Monday 13th April 2015**

Attendance for the week ending 20th March 2015

Foundation stage and KS1	2W with 98.5%
KS2	4E and 5E with 98.7%
