17th April 2015

The summer term promises to be a busy one with SAT's, residential visits for both Year 5 and Year 6, Arts week, educational visits planned for all year groups, visitors into school, our Summer Fair and much, much more.

This will also be my last term at Albert Bradbeer as I will be retiring at the end of this school year and so it I am hopeful that it to be the best one yet !

Albert Bradbeer Primary Academy Local Advisory Board (formally known as the Governing Body)

The L.A.B currently has vacancies for governors and we are seeking parents or members of our local community to fill these roles.

Joining the LAB offers you the opportunity to make a real contribution to the life and work of our school.

Governors play a key role in the leadership of the school and raising of standards including the appointment of key staff, overseeing the budget and monitoring progress in the curriculum. Being a governor can be very rewarding and will provide you with the opportunity to work as part of a team and gain new skills.

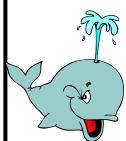

Please note that the most important duty of any governor is to attend meetings of the Governing Body and you should be sure that you are committed and available to do this before applying. At Albert Bradbeer Primary School the Governing Body meets every half term and the meetings commence at 6pm.

If you would like more information about becoming a parent governor please pick up an information pack from the school office.

Well Done !
