Mr Chambers' Academy News

I have come to the end of a very busy first year which seems to have gone very quickly! We have made lots of changes this year and I hope you are pleased with the way the Academy is moving forward. I am so excited for the future of the children and the Academy.

I would like to thank all the staff that are leaving us for their contribution this year and wish them all well for the future.

Our Year 6 children head off to Secondary School in September. You will see the brilliant results they have achieved over the page. They have had a fantastic year and will be superb at their new schools. We are extremely proud of them for their achievements.

Can I thank you for all your support this year. We have tremendously supportive parents at Albert Bradbeer and I have really enjoyed getting to know you all this year. Your support has been integral to all the progress we have made this year.

Our main focus next year is going to be supporting the children to improve their writing. This will be the focus of our Teacher Training day in September. We are also going to give the children more opportunities to read which will include having a new library built in Key Stage 1.

Don't forget to follow us on twitter if you are not doing so already! **Twitter at ABPrimary**
