Mr Chambers' Academy News

This newsletter focuses on providing parents with a safeguarding update.

If you have a child with special or additional needs I would like to inform you of an opportunity to meet with other parents and learn more about national and local services and what they can offer. This would enable you to become more confident about working with different practitioners and making decisions about your child's journey. There are a series of workshops that have been arranged that are led by parents/carers of children with additional needs themselves. The Workshop will be held on Tuesday 13th, 20th and 27th June at Victoria School in Northfield. Please pop in and see us if you would like more information.

Don't forget that the deadline for nursery applications is Friday 28th April. These are for part-time places next year. Could you please let anyone else know who might be interested in a nursery place.

Please remember we are collecting the Active Kids vouchers from Sainsbury's. If you shop there or know anyone else that does then please keep the vouchers and drop them in at the school office. We use them to buy lots of equipment for the children.

Don't forget to follow us on **Twitter at ABPrimary**

Have a fantastic weekend.

Mr Chambers

PARENTS SAFEGUARDING UPDATE

At Albert Bradbeer we have four adults responsible for Child Protection. Whilst all staff are vigilant and you can pass concerns to any member of staff, these concerns will always be referred to:

Mr Chambers - Designated Safeguarding Lead
Mr Philips - Deputy Designated Safeguarding Lead
Mrs Robinson - Deputy Safeguarding Lead
Mrs Masters - Deputy Safeguarding Lead

Keeping Safe Online

We have recently had a few incidents in school involving the misuse of Social Media. There are 100's of different Apps and ways of networking online, which makes it very difficult to keep your children safe on the internet. It might be useful to consider the minimum use age of some of the most popular Apps being used at the moment. With these in mind, none of the children who attend our school should actually be having access to any of these popular social networking apps...
