OFSTED

Many thanks for your support during our recent OFSTED inspection. The Inspectors said that there were some really positive comments made by the parents they spoke to when walking around school. The children were absolutely fantastic during the visit, a credit to yourselves and the school. I expect the report to be published towards the end of term.

TRANSITION DAY

Children will meet their new teachers on Wednesday 5th July. They will have the opportunity to go and spend some time with their new teachers. There will be a letter going to parents on 4th July to inform them of children's classes for next year.

WATER BOTTLES

Can I remind parents that children should only have water in their water bottles. We are seeing an increasing amount of pop and squash. We really want to encourage children to drink plenty of water, especially in the hot weather.

PARENT'S COMMITTEE

I am really keen to establish a parent's committee to enable me to get feedback from parents more regularly. I was thinking that we could meet once a month in the morning once the children are in. I would like representatives from all year groups. If you are interested in being a part of this group then please let me know. I would like to start it before we break up for the summer holidays so I will need anyone who is interested to let me know by 30th June.

SUMMER FAYRE

Summer Fayre is on Wednesday 5th July at home time. Please join us if you can. We have a Pig Roast and lots of activities for the children to take part in. Don't forget if you want a stall at the fayre it's not too late. See Mrs Bowen in the office.
