The exciting start to the term continues. We had a visit from the Academy Trust this week to see how we were getting on. They were really impressed with the progress the children had made in maths and English.

The trust has changed its name over the summer. It was previously Education Central and it is now called The University of Wolverhampton Academy Trust. This is reflected in the many exciting activities they have planned this year to give the children greater opportunities to visit the campus and take part in activities.

We were very proud to receive our Five Star Gardening Award from the Royal Horticultural Society. This is recognition for all the hard work put in by the staff and the children.

If you are collecting Nursery children at the end of the morning or dropping them off for the afternoon session could you please ensure that you use the Longbridge Lane entrance. Thank you.

ASSEMBLY

Matt from Birmingham City Mission visited school to deliver his first assembly of the term. The children really enjoy watching him paint pictures to tell his story. He talked to the children about the Good Samaritan.

There will be a special lunch on Thursday 4th October. The cooks are going to be doing a special all day breakfast. It is always popular with the children. If you would like your child to have a dinner and they do not have one already then please book them a lunch on the school gateway. It must be ordered by Monday 1st October.
