

Albert Bradbeer Primary School Nursery

Newsletter Autumn 1 2017

Welcome to Albert Bradbeer School Nursery everyone!

What a fantastic start! The children are settling well into their nursery routine and enjoying exploring their new learning environment in our wonderful new building. There's plenty of indoor and outdoor space for your children to learn and develop through fun and interesting learning opportunities. We look forward to working closely with you to ensure your children have the best possible start on their learning journey at nursery and home.

Don't forget to sign the **Tapestry** form and provide your up-to-date email address. That way we can track your child's development and share this with you on-line. Children's work will also be around the classroom, so do look out for it.

Meet the Nursery Team

Mrs Sones - Nursery teacher

Mrs Gregory - Nursery Teaching and Learning support

Mrs Burnett - Nursery Teaching and Learning support

Miss Smith - Nursery support

Mrs Purnell - Nursery support (Tues p.m. & Wed a.m.)
-Thursday afternoons Nursery Teacher

You can talk to any member of staff if you have any questions or concerns.

Register for free milk!

Don't forget to register for your child's free milk. Even though you don't have to pay you still have to register through COOLMILK. It only takes a couple of minutes so if you haven't already done so you can do it now [here](#). If you can't do this online you can ask someone in the nursery for a form that you can complete.

The topic this term is

All About Me!

Children will be listening to stories such as, 'Guess How Much I Love You' by Sam McBratney.

They will be talking about their families and looking at who loves them. They will be thinking about families and drawing and painting themselves and their families.

They will be exploring similarities and differences between themselves and others and learning about their feelings and behaviours. You can see the nursery's long

Health snack and healthy teeth

To ensure we are supporting your child's healthy growth and development we provide healthy snacks and drinks. Therefore, we ask you to support the nursery to do this putting water in bottles that children bring to school and leaving sweets out of school bags.

Drinks

If your child comes home with a full water container don't worry. They will have been helping themselves to water in the classroom and drinking their milk if they are registered for it.

Becky Dance fun!

The children have loved joining in with Becky during their music and dance session on Fridays. See the photos on the boards in the classroom.
