

Albert Bradbeer Primary School

Year 1 Newsletter Summer Term

Dear Parents/Carers,

Our topic this term is 'Moon Zoom' and we are looking forward to finding out all about space, its planets and astronauts. This theme will be incorporated into all areas of the curriculum. The children have already shown great enthusiasm!

Reminders

The children should bring in their book bag and a water bottle every day, PE kits should be left in school as we sometimes have extra PE sessions during the week. PE is on a Tuesday and a Thursday. Please do not hesitate to come and see us after school if you have any questions or queries.

Thank you, Miss Saunders, Mrs Hiscox and the Year 1 team.

Your child will be given a reading book and a reading diary to bring home and read. Please can parents/ carers continue to sign their child's diary **3 times a week**. Please continue to use Bug club as it is a great tool for reading!

Please visit our school website to keep up to date with all the latest news:

www.abprimary.bham.sch.uk

Homework:

Literacy homework will be given out on a Tuesday and will need to be returned by Friday.

Numeracy homework is given out on a Thursday and will need to be returned by Tuesday. Homework club is on a Thursday after school from 3.30 -4.30pm to support children if there is limited access to the internet or time available.

Literacy

This term we will focus on stories related to space and superheroes. The children will write about the characters, setting and plot. We will also incorporate drama activities. We will continue to focus on sentence structure including full stops, exclamation marks and question marks. The children will continue to have RWI session daily. Comprehension is still a huge focus during these sessions. We will be preparing the children for the phonics screening check which will be taking place during June.

Numeracy

- recognise and repeat patterns with both shapes and number
- begin to measure and record length, weight and capacity
- use number facts to solve addition and subtraction problems
- count in tens, fives and twos
- recognise fractions of shapes and amounts

Topic

Our topic this term is 'Moon Zoom' we will be learning all about famous astronauts from the past and present. We will design, make and evaluate our own space buggies and create adverts to sell them!

ICT

We will learn how to use technology safely and respectfully, keeping personal information private and identifying where to go for help and support.

R.E

Our RE theme this term is 'commitment and contemplation'.

Science

Our focus during this term is plants and healthy bodies. The children will be able to classify the different plants and identify what plants need to grow and be healthy. Then we will look at what we need to be healthy, including, 5 a day, fitness and eating a balanced diet.

P.E

This term we will be focusing on dance (samba), games and multi-skills. Children will develop their balance, agility and co- ordination skills. This will lead onto sequencing routines and movement to music. The children will learn to perform and evaluate their performances. We will also be looking at ball skills and racquet skills.

Thank you for your continued support.
