

Year Two Summer Term Newsletter

Welcome back! We hope you had a great Easter holiday and are ready for the challenges of our third and final term!

Things to know:

We are continuing to invite parents in to read with their child on a Friday afternoon 2.55pm – 3.15pm. We look forward to seeing you there.

We also encourage our children to read at least three times a week.

Things to remember:

Please remember to bring your PE kit to school and leave it in a named bag. In the Summer term 2W have PE on Wednesdays and Fridays and 2HT have PE on Wednesdays.

After half term both classes will have PE on Mondays and Wednesdays.

Homework

Homework: Literacy will be given out on a Tuesday and handed in Friday. And Numeracy will be given out on a Thursday and handed in on the Tuesday.

Year Two Curriculum

Literacy

We will be linking some of our learning to our 'Wriggle and Crawl' topic. In the first half term we will be using the different pirate stories as a stimulus to write stories and perform dramas. In the final Summer term we will be taking our imagination to the seaside for our topic 'Beachcombers'.

Numeracy

During the Summer term we will be covering all areas of numeracy including: number skills, shape and space, measure and fractions. Your homework will reflect the work we are doing each week. We will also be focusing on learning our times tables of 2, 5 and 10's and completing our times table and arithmetic weekly tests.

Topic

For our topic during the first half of term we are going into the gardens for our 'Wriggle and Crawl' topic. The children will be designing their own lady bird home and learning all about the different mini-beasts and their habitats. In the second half term our topic is beach combers and we will be learning all about the seaside!

Science

In science, we are continuing to explore plants as well as carrying out some exciting investigations.

Things to Remember

Children need to bring their book bags every day with their reading diary. Also, we have a spelling test every Friday and it is important that your child practises these at home.

Please remember to bring your book bag every day and your water bottle.

Homework is expected in on Tuesdays and Fridays

Named P.E. kits in every day.

KSI SATs

In May the children will be taking part in Year 2 SATs. This will include an arithmetic and reasoning maths test and two reading tests.

The results to these will be on your child end of year report.
